# Feel The Passion

Entertainment in Mexico will never be the same. With a seating capacity for up to 4,000 people, the Forum at Mundo Imperial creates an intimate atmosphere where no spectator will be farther than 35m away from the stage.

The Forum at Mundo Imperial is located in the most exclusive area in Acapulco – Acapulco Diamante. In the Forum at Mundo Imperial, patron comfort is assured – boasting luxury suites, valet parking and a VIP Lounge.

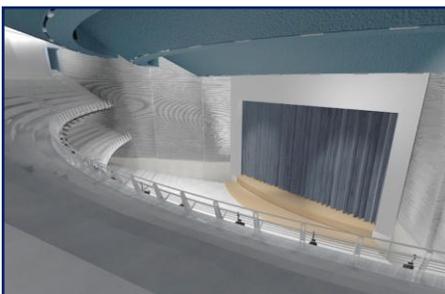

Luxury and comfort are not only featured in the building facade, but also in its state-of-the-art technology and acoustically tuned design, factors that will surely make every presentation an unforgettable experience.

## Welcome to the Forum at Mundo Imperial

The Forum at Mundo Imperial was created to satisfy the demands of a modern Mexico that has an avid and knowledgeable public in search of international events, as well as to satisfy the expectations of all the Mexican Pacific Southwest.

With a forefront design and high-tech features, the Forum at Mundo Imperial will make every live performance a memorable experience. Its great isoptic and extraordinary acoustic will please the most demanding audience.

With an investment of more than \$45 million dollars, the Forum at Mundo Imperial is a first class Entertainment Center with more than 193,000 sq. ft. of construction, designed specifically for concerts, plays, sporting events, and conventions among others.

# Introduction

Our venue is part of Mundo Imperial: a mega-development conformed by a Resort, a Convention Center, a Promenade, a Spa and of course an Entertainment Center – which together creates an integral concept that combines entertainment, business, hospitality and luxury.

Its audience capacity may vary between 2,800 and 4,000 seats depending on the stage setup. Emotion and intimacy will make a success out of every event. Not only **will each spectator see their favorite performer, they'll feel them** - up close and personal.

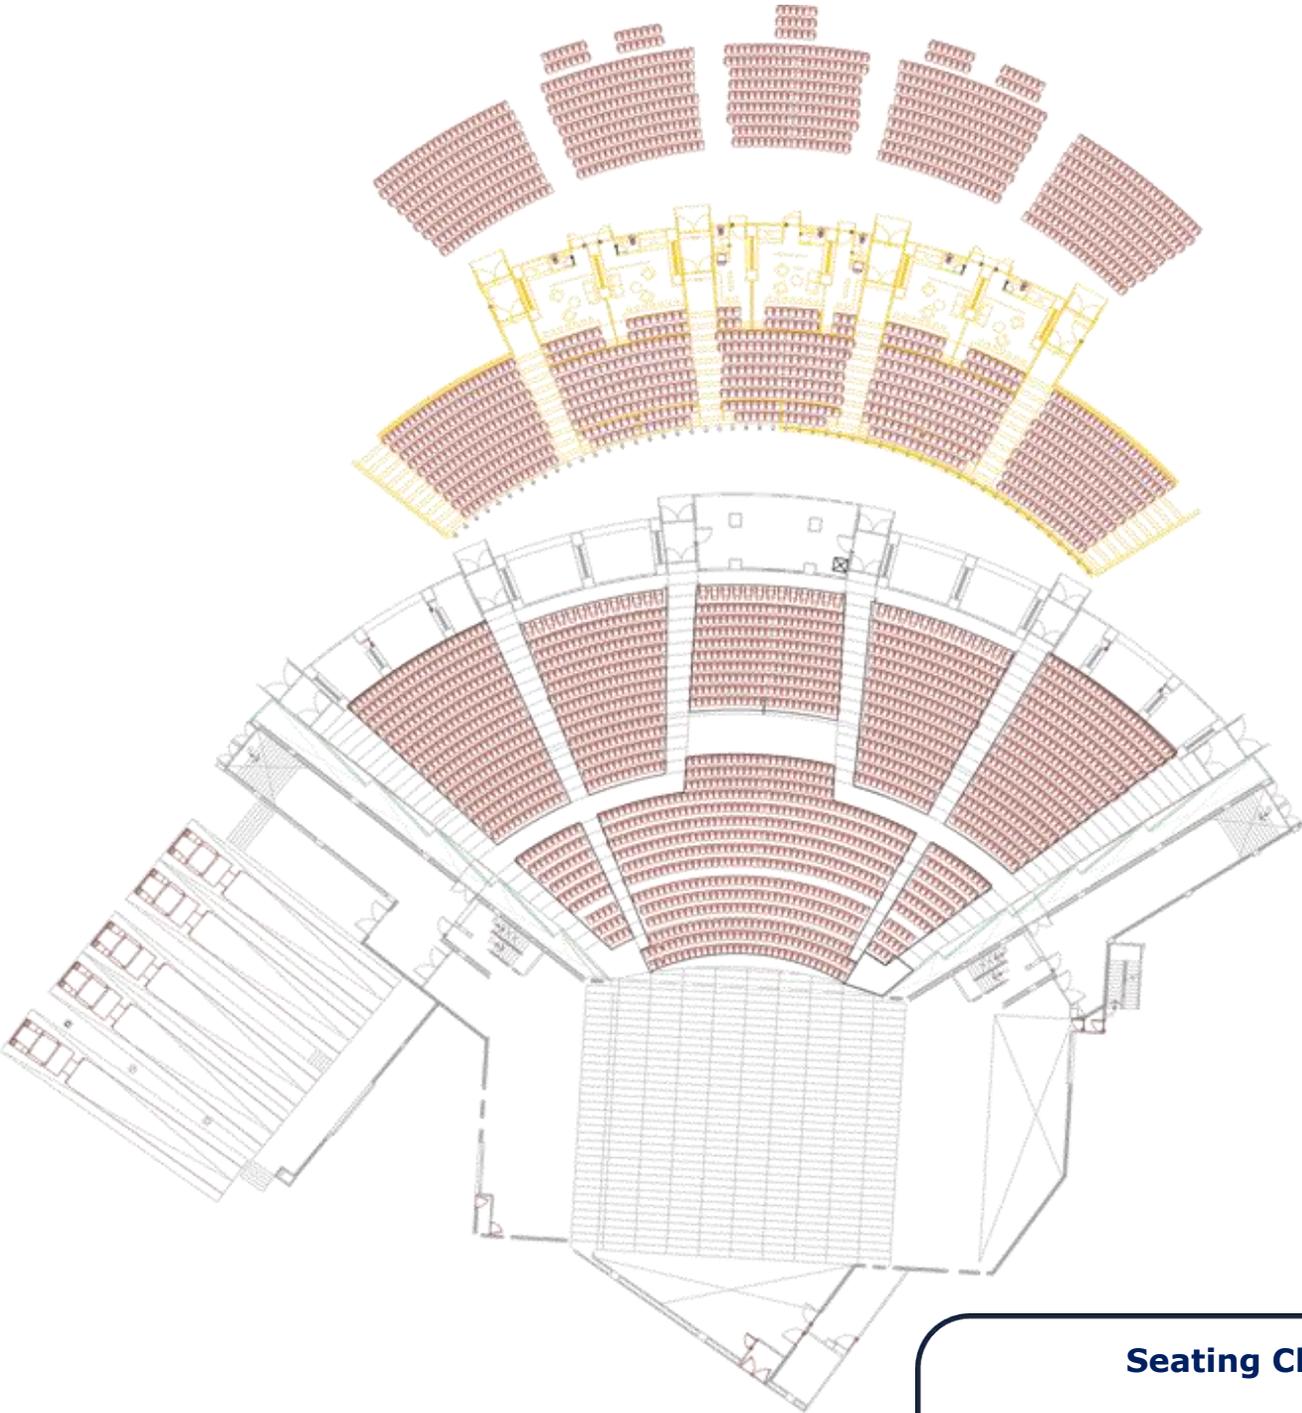

Because of its splendid tropical climate and beautiful beaches, Acapulco has always been renowned as one of the main destinations Mexico has to offer, and now it will be home to Mundo Imperial, where fun and entertainment will rise to a new level of quality in live performances.

The Forum at Mundo Imperial is managed by SMG, the world leader in facility management, marketing and development. Combining recognized industry leadership and management expertise with more than 28 years experience in successful facility management to provide the finest services, the greatest entertainment, and the most positive customer experience for the buildings they manage across the United States and around the world.

SMG manages Stadiums, Arenas, Convention Centers, and Theaters the world over. Providing top notch booking, marketing and sales, construction and operations consultation as well as operations development.
